WALL FIXTURE QUICK ESTIMATION GUIDE

We get this question all the time, “Can you give me a ballpark idea of how much my wall will cost to outfit with your Outty fixtures?” Until now, our answer has always started with, “Well, there are a bunch of factors that influence the cost...” Today, we are happy to introduce our quick estimation guide. This handy document will show you some different types of Outty wall fixturing with prices for what you see. We can’t possibly show every possible fixture combination for every size of wall, but the ones that we chose are fairly common. This should help to create a ballpark idea of the cost you can expect. And if by chance one of the pictures is exactly what you want, you can simply say, “Give me page ___ !”
